A WORD FROM THE PDIS PRESIDENT:

This is a rolling calendar for 2024 – approved by the Leadership Team.

Rolling calendar means that there may be changes / additions / or reductions.

It is weather dependent. If District 20 School District closes, we will be closed.

If you have any questions: Please submit them through our PDIS website:

<https://pdis.club> [Contact US] See Message form.

Please remember PDIS meetings at our new location: **Library 21C on Chapel Hills Drive.**

Field Trips will be announced as they become available. Currently, we have one planned for June. [TBD]

The Leadership Team looks forward to our time together. We bring our photography passion to this club. Our leadership remains strong in their commitment to never charge dues.

We confirm the PDIS purpose to bring both joy to our members and serve our Colorado Springs community. Our convictions regarding our Peak Digital Imaging Society remain the same. They found in the PDIS Mission and Vision statements.

Our daily lifestyles related to digital imaging activities and processes are essential.

Each member is valuable to this club. We cherish your presence at our meetings.

Respectfully,
Linda C Case
